Global South Anglican Primates meeting to reflect on the way forward

05 October 2016 - [Print Version](#)

[News & Views](#)

Global South Anglican Primates will be having a series of meetings in Cairo during the Sixth Global South Conference to discuss the way forward on ecclesiological issues for the purpose of co-mission, mutual accountability and the maintenance of faith and order. The Primates are joined by representatives and bishops from other Provinces. Please keep them in our prayers.
